

CAMP TIIGA

A Summer We'll NEVER Forget!

From the moment "THE SUMMER OF OUR LIVES, 2011" started we knew it was going to be great, but nothing prepared us for just how incredible it truly was!!! From the first day to the last, we compiled a mountain of memories that we will all treasure forever.

Remember Mr. & Mrs. Tioga? How about Hogwart's Day or Hershey Park? What about the introduction of Kan Jam to our ever growing activity list? Then there was 5 Star Basketball, Aliens Day, an incredible amount of pizza and an unreal amount of ice cream. We could spend days going through our craziest memories, but instead we want to hear yours! Send an email to camptioga@gmail.com with your favorite moments of the summer 2011. We will feature the best comments on our Facebook page over the coming weeks. You will be able to view them at www.facebook.com/camptioga - don't forget to 'like' us while you're there!

So keep those memories fresh in your minds and start planning what would make 2012 even better for you!!! Remember, THIS IS YOUR CAMP! Keep telling us ways to make next summer even better than last. Next year is another chance to make more memories and friendships that will last a lifetime, and maybe next year you will create the dance that the entire camp performs. Remember, "Speak No Americano" will live on for years to come!

And for our next surprise...

2011 saw the addition of both SoccerPool and the widely anticipated BaseketBall. Both proved to be huge hits and were lots of fun for everyone. As always, before the summer was even over we began planning "The Next Big Thing" for 2012. As you read this, excavation has already begun for "PROJECT X". Between this, all of your regular favorites, and a couple of curve ball special events, next summer is already guaranteed to blow all past years out of the water!!!
